A MESSAGE FROM THE DIRECTOR

The THS Volleyball program has grown tremendously from the schools opening in 2003. I have personally seen THS volleyball become part of the local community. Some of our recent successes on the court include the Titans winning **Conference Titles** in 2012, 2013 and 2015.

The annual Titan Volleyball Camp provides a wonderful opportunity to bring together the entire volleyball community for a week of volleyball and fun. The campers will learn from some of the top coaches in the state, work alongside past and current THS athletes, and play with their friends from throughout the area. The camp is a celebration of volleyball and our community.

We hope you decide to join us this year at the 2017 Titan Volleyball Camp for a special week. We are truly honored and privileged for the opportunity to work with the wonderful young people of our community.
